

the entire system. However, registrations of projects and agents has been happening at a snail's pace.

Speaking to *BusinessLine* about why progress has been so slow, Gautam Chatterjee, Chairman, Maharashtra Real Estate Regulatory Authority said "This (slow pace of registration) is something that the developers will be able to explain. They are telling us that

skepticism about the 3 month registration window. When asked about why developers are taking so long to register in spite of preparing for the introduction of RERA for a year, Mayur Shah, President-elect of developer body CREDAI-MCHI said "Developers are slowly understanding the process. Registration is not a small process, there is a document which has to be submitted along with ten

be consulted for feel that 90 days. Developers don't risk of submitting information.

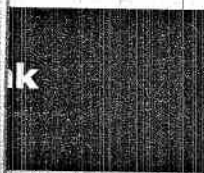

Once this is done developers registered have also had those who have registered for haven't."

funds

market. The reason for the slow growth in Sri Lanka is that we have a lot of foreign clientele who find it difficult to own (property) in the country, he said.

At the end of this financial year, the company's revenue will have decreased by a total of about 30 per cent with nearly 1.5 lakh sq. feet of developed area. The company's revenue is supported by Sunil Gavaskar and the services of Infosys and amongst others as
